The 2009 Cyclocross Series is here and looks to be an exciting mix of old and new venues including races at Kirkwood Resort, Clayton Middle School and Bartley Ranch. Please note that these venues are subject to change so be sure to check the Wheelman website prior to each race for updates. We also have some exciting new sponsors this year including Reno Bike Project who will be providing neutral race support at all the races. All USAC rules apply. Helmets are mandatory.
