November 27, 2007

FR: Chrono/PL 4-3

TO: Interested Parties

FROM: Derek W. Morse, P.E., Deputy Executive Director

SUBJECT: OPPORTUNITY FOR COMMUNITY SERVICE—ANTICIPATORY RECRUITMENT FOR RTC ADVISORY COMMITTEES AND REQUEST FOR VOLUNTEERS TO COMPLETE BICYCLE FACILITY INVENTORY

The Regional Transportation Commission (RTC) is conducting an anticipatory recruitment for persons interested in non-recreational bicycle and/or pedestrian issues who would be willing to serve on one of the RTC's advisory committees. Applications received will be forwarded to the RTC Board along with a recommendation on whether there is sufficient interest to warrant establishing a stand-alone advisory committee dedicated to non-recreational bike and pedestrian issues or if the creation of a seat reserved for someone interested in these issues on one of the existing RTC advisory committees is more appropriate. Applicants should be willing to attend monthly or possibly quarterly meetings that would be held on a weekday evening. We will be in contact with applicants following the RTC Board action on this item.

An application is enclosed. Completed applications should be returned to:

RTC Planning Department
ATTN: Debra Goodwin, Senior Planner
600 Sutro Street
P.O. Box 30002
Reno, NV 89520-3002

RTC must receive completed applications by **5:00 pm on Wednesday, December 19, 2007.**

The RTC is also calling for volunteers from the bicycling community to assist in updating the regional bike map. The scope of this effort would include field verification of existing facilities (including location and type of facility) and identification of gaps or critical needs in the system. The RTC would provide funding and oversight of the effort. This would be a short-term commitment until the map update is complete.

If you are interested in this volunteer effort or if you have any questions regarding an advisory committee position, please contact Debra Goodwin, Senior Planner, at 775.348.0480 or by email at dgoodwin@rtcwashoe.com.
