Celebrate Reno Earth Hour Saturday, March 28 2009

Join us for the culmination of an international dark-skies awareness week with **Earth Hour**: an hour without electricity or outdoor lighting to conserve energy and enjoy our night skies.

Hosted at the **River School**, located at 7777 White Fir Street in west Reno on the bank of the beautiful Truckee River, this social manifestation of the event will include stargazing and dark sky activities sponsored by **Fleischmann Planetarium** during Earth Hour, as well as a themed movie before and bonfire celebration after.

The event is free and open to the public; snacks will be available for purchase as donations to the River School.

Movie starts at 7:00 PM, and lights-out stargazing runs 8:30 to 9:30 PM, with bonfire & marshmallows after.

★See you in the dark!
